

Don and Sharon Bright Missionaries to Macedonia

April 13, 2012

Dear Pastor and Friends,

I Peter 5:10, "But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you." When born into the family of God, we exhibit our *faith* like that of Abraham. We are then established by our *Sonship* like that of Isaac. Immediately we begin *servicing* the Lord, as seen in the life of Jacob. And after that ye have *suffered* a while (the life of Joseph) our Lord will make us perfect, stablish us, strengthen us, and will settle us for His good pleasure. Praise His Holy Name!

My poor health has been my strength to settle my life. After three and a half years of not being able to further accomplish the goals that we set for Macedonia, I have found I am not growing weary of my life of pain. I acknowledge the fact that I am crucified in Christ. I glory in my infirmities, for I have seen my Lord working in my life.

We continue to seek out military veterans to evangelize the lost. I have gained strength to make hospital visits with my scooter. Also, as one of three teachers, we have finished a two-year course for the School of the Bible.

Demir Feta, the national Pastor in Shutka, Macedonia, has experienced growth in the church. He has Bible instruction on Mondays in his home as well as Church Services on Sunday and Wednesday. He has begun Bible studies in another village called Zlokukani. This name means "Evil House". People are being saved and another church is being birthed. Praise the Lord!! Please help me pray that God will protect Demir and the other Christians from ruthless Muslim radicals in Shutka and in Zlokukani. His support is still below \$300.00 per month and he needs to get more support to at least \$500.00 per month. Four more churches would make this goal. Please pray!

Sharon and I are very thankful for your support and prayers for us over the years. We love you and thank God for you!

By His Grace,
Don and Sharon Bright
