February – March 2012

Dear Friends of God's Chosen People, Israel:

We continue to praise the Lord for His faithfulness to us each day, as we continue to serve Him, and continue to reach out to His chosen people, the Jews. Our hearts are heavy as we see what is happening in the news every day, and we know that day is fast approaching when the Rapture shall take place and our work will be finished, and we will be called home. We want to be busy in these days to see souls saved.

SURGERY

We are asking you to pray for Bob's surgery on his knee. By the time that you receive this letter, he will have been in the hospital and had his right knee replaced. He will be in the hospital for three to four days, and then he will be in rehab for several weeks. This will be a long procedure, but we felt it was necessary to have it done at this time. It has been a long time coming but now it is necessary. Please pray that he will do well in the rehab and recovery time.

RETIREMENT CENTER IN ATLANTA

In January our dear Jewish friend, Henrietta, died at the age of 100 years old. She will be greatly missed in our services. She was such a blessing and encouragement to us. We always looked for her every month to come to the services. We had a wonderful time at our Hanukkah/Christmas party in December. There were many who came out and enjoyed the time together as we shared what Christmas means. We have been so excited that others are coming and taking her place. We also have a desire to reach the Gentile people. One lady mentioned that she was now a child of God after she had been dealt with about her soul and accepted Jesus Christ as her Saviour.

REVIVAL MEETINGS

We had the great joy of speaking in Greeley, Colorado, for a revival meeting in January, and we saw the breath of God come down on God's Word. Praise the Lord. The church was filled every night and the altar was filled with people making decisions for Christ in their lives. We would covet your prayers for other opportunities to help pastors and people in local churches. We are glad and excited that God does open doors through gracious pastors all over. Please let us know if you would like us to come to your church for a meeting to stir hearts for God.

HEALTH

Please be praying as Bob recovers from his knee replacement surgery, that he will be up-and-about soon, and that his strength will return quickly.

PROPHECY CONFERENCE

We had the great privilege of attending the Prophecy Conference at our Mission in February. Dr. Renald Showers was the speaker. We were blessed by those who attended the conference. Dr. Showers is always such a blessing as he taught on the book of Daniel. This is an annual conference we have every year at the Mission if any of you might be interested for next year. Contact the home office to be placed on the mailing list.

THANK YOU

We want to thank you for your monthly support, and for your continued prayer support for us. Thank you especially for the gifts that were sent to us at Christmas time. We appreciated them so much. God always supplies our needs even in these difficult economic days, through special people like you who have given to us. God is so faithful. We appreciate you so much!

PRAYER REQUESTS:

1. Bob's recovery from knee replacement surgery.
2. Retirement home ministry.
3. Salvation of Lennard Feinburg and his wife.
4. Other souls to be saved at retirement home.
5. More conferences and meetings for Jewish missions.

Warmly and lovingly in Messiah Jesus,

Bob and Carolyn Humphreys, Isaiah 6:1-8

"To help offset the escalating costs in postage and printing, we would like to offer our prayer letter through email to as many people as possible. This would allow us to give quicker, more up-to-date information on our ministry, to reduce costs, and to send the letter as a PDF in full color. However, in order to make this possible, we will need your email address. If you would like to receive our prayer letter by email, simply go to www.ibjm.org/eLetters.html to sign up. This will enable us to begin sending our prayer letter and updates to you electronically."
