Philippians 4:16-17 "For even in Thessalonica ye sent once and again unto my necessity.

Not because I desire a gift: but I desire fruit that may abound to your account." Thank you for partnering with us to reach the youth.

I am back in the states attending to our daily ministries. While in Cartagena Columbia, I had the great privilege of teaching a Bible College Class (Methods of Bible Study) to a group of 16 men of whom 8 were Pastors. I have never seen people so enthusiastic to learn the Word and ways of God. It was truly an honor.

We also had the opportunity to share about our crisis Prevention Programs and 2 of the men in the church are planning to start an outreach designed to help rescue the children involved in the growing sex slave trade of Cartagena. We are sending one of our young men who has experience through our outreach programs to help them start this much needed program. Please pray this will be accomplished by Christmas. Also pray for Cesar Lopez who will be our student helping them with the start up. As many of you know Cesar was to get his change of status in Juarez and they would not let him back across the border until a certain waiver is obtained: However, he is able to go into South America.

Romans 8:28 . Cesar has been a huge part of our Crisis Prevention Programs for the past 5 years; he has the knowledge and know how to get this program started. Continue to pray for Cesar and Kathleen as she will join him before Christmas. Also pray for their safety and Cesar's return to the States.

It is amazing that God is allowing our outreach programs to go into another Country.

There are no limitations in Ministry when God is in Charge.

While there God allowed me to preach 3 times and on Sunday morning there were 28 people who made professions of faith, each one escorted out by another Christian to go over the scriptures and be sure they understood. It was amazing to see God work and to see how people responded to the Word of God, **Praise be unto God, great things He hath done.**

This is the time of the year when we ask for special help with our budget. Because of insurance and other end of the year expense we are about 16,000 dollars from reaching our budget. with only a few weeks left to raise these funds we ask that you would pray about what the Lord would have you do to help us.

Thank you for your prayers and continued support
