Dear Co-Labourers in Christ,

We greet you in the name of our Lord and Saviour Jesus Christ who has said in His Word. "Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul" 1st Peter 2:11. May we learn to adore God's mercy and patience that did not cut us off and leave our hearts in the world: So let us endure our troubles with meekness and patience and walk holy as we seek to tell others of His saving grace.

Nathan, our young preacher boy, has just finished his first semester at the University Of Cape Town. He is studying to be a doctor. He has had a struggle with finding friends that are separate from the world. He says everyone is friendly but they are following the ways of the world. It is a blessing to see him desire to keep separate from the things of the world, and yet our hearts hurt that there are so few living separate in these last evil days. Please pray with us that God use Nathan to be His witness and give him a friend that does not live after the things of this wicked world.

"Auntie" Caroline, who will turn eighty one in May is now having health problems. She had a scope put in her stomach which revealed a spot; She will receive test results concerning it on May 4th. Please pray that Auntie Caroline doesn't have cancer. Also pray with us that the Lord would save her niece Ethny that lives with her. She brings her many problems due to her excessive drinking.

Please pray with us for the lost souls of Danville. We are thankful that our Lord has let us preach His effective Gospel to the lost souls here in Danville and it is a joy to know that our Lord is working in the hearts of many that will surely follow.

Thank you for your prayers for my back, God is good! I am no longer having any pain. Thank you for your prayers and financial support that helps us preach the Gospel to lost souls in South Africa. May our Lord add to you His blessings for your labour of love.

By the mercy of God,
George & Bobbie Kinsey
