Beloved Prayer Warriors:

We earnestly pray this letter will find all of you still expecting that the Lord will send us all a life transforming Revival. As we cry, "Revive us again" we do so knowing that the very heartbeat of Mission work depends fully on God-given revivals. O Father, "fill each heart with Thy love"!

Praise the gracious Lord with us as I share with you a wonderful work of love the Lord has done here in Brazil using His Word to strengthen the ones who have already been saved and His Good News to reach out to the many precious souls that are still lost in sin. A month ago **Jaqueline**, a lady I had been inviting over the years to attend our services, tearfully told me, "Pastor, I need God, there is no way I can face this sorrow without Him." She had been struggling with the possibility that Bianca, her 3-year-old daughter had been sexually molested by a family member. Both Beatriz, five and Bianca, three attend our Christian School. After we prayed together she came back for our Wednesday evening service and gloriously called on the Lord to save her. She made sure **Maicon**, her husband, would come to our services on Sunday and on that same evening he too accepted the Lord as His Savior. Please pray for them as they are planning to attend our discipleship classes.

We strongly believe that the Lord has given us understanding where our Church Planting Ministry should start a Bible believing Baptist church next. As mentioned before our hometown has a growing population of almost 700,000 people and it is estimated that in the next few years Ribeirão Preto will be home for over a million people. A couple days ago Pr. Andre Rivoiro (from our pastoral staff), my son Estevan, and I took on a short trip to survey the very metropolitan area where some 70 different housing projects are now under construction and at the same time to inquire on the prices of properties there. Even though just a few of them are left for sale we are praying that the Lord will enable us to purchase the very one where He would have us to start the new church. Other than Pr. Andre Rivoiro, Estevan and his wife-to-be (they plan to help with the music) we already have a faithful family from our Church that will team up with them to plant the new Church. Do pray that all our planning will go well and that every need will be met. **Alleluia!**

Recently, a number of souls have gloriously trusted in Jesus as their Savior either during a church service or through one of our evangelistic outreach ministries. Pray for **Gabriela, Guilherme, Hadassa, Lara, Maria Clara, Nicolas, Josué, Pamela and her sister Priscila** that they will come to our Discipleship Ministry in order to grow in the grace and in the knowledge of Jesus Christ.

Please accept our heartfelt gratitude for taking so diligently into your own hearts our burdens, needs, and requests. May the Lord bless you for your faithful prayers and financial support.
