Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness; *II Corinthians 9:10*

Dear Pastor Bo & Friends at Camp Creek Baptist Church,

"In every thing give thanks: for this is the will of God in Christ Jesus concerning you. Faithful is he that calleth you, who also will do it." *1 Thessalonians 5:18 & 24* I have had to go back to these verses many times in the past weeks and months. I must apologize for the lateness of our letters this time. I did not write a letter right after the insurance / court ordeal because I was very discouraged and did not want that to overshadow the blessings that the Lord had given. Please pray for me that I will leave all of this with the Lord, as it is an ongoing ordeal and struggle. When I had finally written a letter for July and August, we have been on the road and haven't gotten it printed and mailed out. By throwing myself into the work as much as possible, we have stayed busy, for which we are grateful... but I failed to mail our letters out promptly.

The Lord has blessed in our recent meetings allowing us to present the Fellowship Tract League in preacher's fellowships, mission's conferences and individual meetings in churches in North and South Carolina, Ohio, Illinois, and Massachusetts, and in two Bible colleges. All but one of these were new churches that we have never been to, and we pray that they will begin to support the FTL (and possibly our family) as the Lord leads.

A new public school opened near our home church, and they approached our church about sponsoring a Good News Club one day a week. That gives our home church control over the Bible version used, etc... Dannette is working in that each week, along with teaching Sunday school, working in the Bible club with junior high age kids each Wednesday night at our home church, and traveling with me when she can.

The FTL continues to update the tracts, changing over to full color covers. Please check on the FTL's website www.fellowshiptractleague.org regularly, as the new tract covers go to press, they are posted on the website. Be sure to ask for the new color cover for the tracts you order (if it is the *new color cover* that you are wanting). A couple of tracts are included for you to see the new covers and quality.

We thank the Lord for the privilege of serving Him, and for allowing us to serve Him with the ministry of the Fellowship Tract League. We also want to thank you for allowing us to be a part of your mission's ministry and for your prayers for us. Please pray for our schedule to be filled as our Lord opens doors, and for health and grace.

Thank you for your faithful support of \$300 received in September and \$300 in October.

By His Grace,

Tom, Dannette & Samuel Patterson
